ABOUT THIS SCHOLARSHIP

This scholarship was created by Bob and Charlene Williams' son, Charles Williams, who participated in an ERAU Study Abroad program to France that changed his life. The Williams were forever grateful for how studying abroad shaped their son. Charles created this scholarship in honor of his father and mother. He graduated with his undergraduate degree from the College of Arts and Sciences (DB) in 2002 and received his graduate degree from the College of Aviation (WW) in 2010.

This scholarship was created for students who have struggled academically during their first semester at the University and are bouncing back to achieve a higher GPA during subsequent semesters.

*Applicant must be enrolled at the Daytona Beach Campus as a full-time undergraduate student in any college and program offered at the DB campus.

*Applicant must be a sophomore, junior or senior at the DB campus.

*Applicant must have a cumulative grade point average of 2.0 or higher.

*Applicant must show a significant increase in cumulative GPA when compared to the first semesters GPA.

*Applicant must show financial need as demonstrated by a completed Free Application for Federal Student Aid (FAFSA) and complete below questions.

*Applicant must commit to participating in an Office of Global Engagement program.
